SAFETY

Safety is of utmost importance at Rovazzini Electric. Our teams are Safety Certified and they meet regularly to review safety protocols and procedures with each new workspace. Practicing safe behaviors is a significant part of the daily conversations we have with workers. They undergo regular training sessions and all of our personnel take safety very seriously. It's an expectation and a culture at Rovazzini and it's reflected in our EMR.

Rovazzini Electric consistently trains its employees to ensure the safest and highest quality of work. Through proper training and regular protocols and work practices, we are able to provide consistently safe work environments to make sure our workers finish each day and make their way home safely. It's just how we like to do business.
